About 1150 Pupils to Open Term

Approximately 1150 children of the Lakeside area are expected to be enrolled when the 1954-55 school year starts next Monday, September 13, in Lakeside Elementary and Lindo Park schools, M. R. Kneale, superintendent, said.

Parents of all kindergarten pupils not already enrolled are urged to come to the Education Center or either of the two schools as soon as possible. All new students not previously enrolled in Lakeside schools also were required to enroll at the Lindo Park or Lakeside Elementary school last week, August 30 through September 3.

New elementary teachers held a general meeting at 9 a.m. last Wednesday in the Education Center, and all teachers are scheduled to report to the two schools for the beginning of the pre-school workshop at 8:30 a.m. today (Tuesday) and Wednesday, September 7 and 8, Kneale said.

Lakeside schools will operate under a budget of \$346,656 during the 1954-55 school year. Although this budget, approved August 4 by the board of trustees after a public hearing, is \$22,380 higher than the 1953-54 budget, the tax levy will be \$1.18 instead of \$1.29 because the estimated valuation of the district climbed from \$5,021,000 to \$5,311,500. Kneale said the enrollment increase necessitated the higher budget.

In the Grossmont Union High School district as a whole, \$3,400,321 in budgets for the high school and 10 elementary school operations in 1954-55 were approved.

Women's Fellowship Sets Meeting Today

Lakeside Presbyterian church Women's Fellowship will meet at 1 p.m. today (Tuesday) in the new education building. Mrs. Helen Jones will discuss the proposed El Cajon Valley Council of Churches.

Mrs. Trigg Stewart, Junior Girls' Choir director, will attend with a group of girls to present special music. Mesdames Frances Berg and Margaret Wessels will report on their trip to the Woman's Leadership Conference at Pacific Palisades.

Mothers Invited To Discuss Troop

Mrs. Dolores Flick, Brownie Troop 497 leader, invited mothers of her troop to El Monte Park to discuss the troop's work and problems.

This troop boasts a membership of 18 third grade pupils of Lindo Park school. Mrs. Ruth Shattuck and Mrs. La Vora Ray are assistant leaders.

SUPERVISOR HOWELL DISCUSSES SWIMMING POOL PROBLEMS HERE

Only six citizens attended a meeting held Monday night of last week by the Citizens Education group with Supervisor Dean Howell and Mrs. Howell as special guests. However, the group accepted the Reverend T. E. Robert's invitation to join the Men's club which was meeting in the Lakeside Community Presbyterian church's education building, and this merger provided a large audience to hear the supervisor's report on the proposed Lakeside swimming pool.

Biff Gardner of the county recreational department was unable to attend the meeting as originally scheduled.

Bob Baker, who recently returned from Japan showed colored slides to the group. Afterwards the meeting was turned over to Earl Wolcott, citizen's group chairman, who introduced

HOSE LAY—Federal fire fighters are shown laying hose to combat a swiftly moving brush fire Friday afternoon. It broke out on the Japatul road five and one-half miles southeast of Alpine. Caused by a power-line break, the fire burned over 150 acres of brush before combined U. S. Government and California State forestry crews brought it under control.

Foothills Section Enjoys Labor Day With Few Traffic Mishaps

Hope that the Foothills area will go through the Labor Day weekend with a minimum number of accidents was expressed today by traffic officials of the California Highway Patrol, the El Cajon Police department and County officers. Only four accidents were reported as of noon Monday. Traffic officers in El Cajon were working to maintain a smooth flow of traffic through the city as no accidents had been reported in El Cajon.

La Mesa police reported two slight mishaps over the weekend, both occurring Sunday. One

person was slightly injured, but was not hospitalized, the police reported.

First of the La Mesa accidents was reported at 9:58 a.m. Sunday east of Keeney street on El Cajon boulevard. No injuries were reported.

The injury accident occurred at 7:45 p.m. Sunday at the intersection of Hayes street and La Mesa boulevard, the police said. The accident victim was returned home without any serious injuries.

California Highway patrol officials reported two accidents

over the weekend, the first occurring at 1:39 a.m. Sunday on Cajon road near Linden road. A sailor received head lacerations and a possible back injury in the Sunday morning mishap.

Another slight accident was reported on Highway 80 by CHP officials.

All traffic officials cautioned drivers to maintain the Foothills area record by taking all of the safety precautions possible to alleviate the possibility of accidents of a more serious nature.

Chamber Slates Movies

The monthly Lakeside Chamber of Commerce meeting will be held as scheduled on Monday, September 13, in the War Memorial Building but no dinner will be served, Robert Watkins, president, announced.

Directors decided to cancel the regular dinner, Watkins said, because the funds which would be spent on the dinner are needed for the "Days of 49" program.

Starting at 7:30 p.m., the program Monday night will feature a new technicolor sound movie, "It's Everybody's Business". This film, provided by the U. S. Chamber of Commerce.

Stanley Conant. A brief discussion of problems which would confront the community if a pool was built followed.

Supervisor Howell discussed pools which have been built in Fallbrook, Vista and Ramona, and summarized problems which had been faced in those communities. He assured the Lakeside group that favorable action by the supervisors appeared to be certain if Lakeside appealed for a Lindo Park location because the park is county property.

If a sizeable amount of money is raised among Lakesiders, it may be possible to secure county funds to help share the cost of the pool, the group was told. Lifeguard service would be provided by the county, with a share of the entry fees at the pool to be used for this purpose.

New East Road Plan Proposed

Tom Griffin, editor of the Ramona Sentinel, declared this past week that he believes a middle-level road to Imperial county is possible.

Griffin's statement came as a result of a report by engineers that a low-level route in San Diego county would be too costly. He said the road he advocates would go from San Diego to Poway, around Mt. Woodson, Creek, to San Felipe Store, and through Ramona to Witch Scissors Crossing.

"High point on the highway would be 3477 feet at San Felipe Store," Griffin said. "The grades would be gradual with a few changes in roadbed and the whole trip could be made in two hours."

According to the Ramona editor, several changes would be made in the road that now exists. A road to the north of Mt. Woodson would eliminate hazardous curves on the Ramona-Poway Road, and the road between Santa Ysabel and San Felipe Store also could be shortened by cutting out a drop into Lake Henshaw valley, he said.

The high point for the road could be kept at 3000 feet, Griffin concluded, by cutting a tunnel through Vulcan mountain.

P-TA to Welcome Teachers, Pupils

New teachers and parents of new students at Lakeside schools will be served doughnuts and coffee by Lakeside Parent-Teachers association members on September 13, first day of the new school year.

These new teachers are the Misses Joan Greytox and Marion Lindsey; Frederick Helm, Kenneth J. Reardon, Robert Reilly and Jack Whittinghill; and Mmes. Allene Mulligan, Doris Engle, Dorothy Parfet and Emma Johnson.

Lakeside Girl on Honeymoon

Miss Patricia Ann Peterson, daughter of Mr. and Mrs. Raymond Chester Sink of Lakeside, became the bride of James Elwood Fink, son of Mr. and Mrs. Frank Wolf Fink of Point Loma, in a ceremony Sunday afternoon of last week in St. Didacus Catholic church, San Diego.

After the wedding the newlyweds left for a honeymoon in northern California. They will reside in Los Angeles and both will attend the University of Southern California.

The bride was given in marriage by her father. She wore a gown of tulle and lace, the V-shaped neckline outlined with pleated tulle, and the bouffant skirt tiered. Her veil of French illusion was gathered by a tiara of seed pearls and her flowers were a white orchid and stephanotis.

Attendants were Miss Anne Block of Los Angeles, Mrs. John Fink, Miss Leanne Anderson and Miss Judy Hooper of Pasadena, and Miss Susan Fink, sister of the bridegroom. Miss Fink was dressed in pink with lavender flowers, and the others wore blue-green with talisman-colored yellow and pink carnation bouquets and headdresses.

John Fink was best man, and William and Fred Ludwig, Fred Rickon and Ralph Hoffman Jr. ushered.

A reception for 300 guests was held at the Park Manor Hotel. Mrs. Sink received in a silver and blue embossed satin dress. Mrs. Fink wore toast beige lace with brown accents.

The bride was graduated in June from San Diego State College. Mr. Fink, a Sigma Phi Epsilon fraternity man, studied at that college and the University of Colorado.

Monte Hall Among Many Noted Guests

Monte Hall and Roy Hogsed, television stars, will be on hand for the Lakeside "Days of 49" program on September 18 and 19, and it is possible that Dick West and Ranger Howe will be on hand, officials announced. However, there are many other individuals and groups scheduled to appear and help provide the 1954 event extra color.

Optimists To Host Big Dinner

Lakeside Optimist and Optimist Mrs. clubs will be hosts of other Optimist clubs of the San Diego fourth area at a joint dinner to be held tomorrow (Wednesday), in the Reserve Marine Officers' club at the Marine Recruit depot, San Diego. Cocktails will be served at 7 p.m.

Next Sunday the Optimist family picnic will be held at El Monte Park, from 2 to 10 p.m. The program will include fun, games and entertainment. Adults will be charged \$1 and children 75 cents, with these funds to go to Barbara Watkins for her "Days of 49" queen campaign. She is sponsored by the Optimist and Opti-Mrs. clubs.

Approximately 51 local club members and guests attended a special dinner held last Thursday evening in the War Memorial Building. Guests included members of the Uptown Optimist club, San Diego, and the La Jolla Optimist club.

Funds raised by a cake drive at the dinner will be given to Miss Watkins, who won the regular door prize.

All persons attending complimented Mrs. C. Syplot, who prepared the dinner, for the quality of the food.

Teen Dance Slated Friday

A teen-age dance will be held Friday evening, starting at 8 o'clock, in the War Memorial Building for Chloe Barkdull, "Days of 49" queen candidate who is sponsored by the Carter-Smith Post and Auxiliary of the Veterans of Foreign Wars. Jimmy Cusak's band will provide the music and 50 cents will be charged as a "donation" to Miss Barkdull's campaign.

Born in Arlington, Chloe, 16, has been raised in Lakeside. She was graduated from Lakeside Elementary school and is now a senior at Grossmont high school where she is a member of the Mam-selles club.

The queen candidate said she hopes to obtain a degree in nursing at San Diego Women's College, and after completing college studies she intends to continue in nursing in an administrative capacity.

A VFW spokesman said Chloe's hobbies are swimming and dancing particularly but that all sports interest her. "During the past summer," the spokesman said, "she was an assistant in the Lakeside recreation program. Chloe loves children and of course this affection is returned many fold by the youngsters."

Chloe is an excellent cook and housekeeper but is not the type that does much sewing, preferring to participate in more strenuous activities.

The VFW post and auxiliary have been working hard to earn their candidate the queen title and they expressed confidence that her personality and host of friends make her a leading contender.

Nursery School Slated To Open

Lakeside Community Presbyterian church's nursery school that has been closed for the summer months will open next Tuesday, September 14.

Isom Also Retained As VeePee

Carroll Ray was reelected president of the Lakeside Little League for 1954-55 season at a board meeting held Monday of last week. Also reelected were Lyle Isom, vice president; and Ken Dittus, treasurer.

Phyllis Isom will be the new secretary; Charles Cray will be players' agent, and LaVora Ray will serve as publicity chairman. A new directorship—purchasing agent—was formed, and Joe Sewall was elected to this post.

"Needed yet on the well organized committee is a groundskeeper and someone to be in charge of umpires," Ray said. "Anyone interested in either position is asked to contact a committee member."

Stan Peterson resigned as the manager of the Chamber of Commerce team, 1954 champions. Joe Pignatelli, team coach for the past two years, will be the new manager, the league board was told.

Other team managers are Bing Miller, Optimists; Wally Cate, Veterans; Paul Franklin, Kiwanis; Javier Smith, Sportsmen and Ruben Asmus, Elks.

The league committee expressed thanks to the scorekeepers, Sally Miller, Betty Lindley and Lyle Isom, for their accurate scoring and faithful attendance.

Church Teachers To Meet Tonight

The regular quarterly meeting of Sunday School teachers at Lakeside Community Presbyterian church will be held at 7:30 p.m. today (Tuesday) in the new education building.

This is an important date for the school staff, and all teachers are urged to attend.

MERGER OF LAKESIDE-SANTEE WATER DISTRICTS SUGGESTED

At the invitation of members of the Lakeside Mutual Water district, interested persons in the Santee area met last Thursday night in Lakeside to discuss a possible merger of Santee with the Lakeside district.

"This was not a formal meeting," Sam F. Rogers of Cottonwood road, Santee, said. "The Lakeside district only wanted us to see what it had to offer, and invite us to join them in making a combined district."

Rogers said the Santee representatives could make no decision concerning the Lakeside proposal as the district representative

for Santee was not present at the meeting.

"We promised the Lakeside district, however, that we would call a meeting concerning its proposal," Rogers said. "A tentative emergency meeting has been scheduled tonight by the board to be held in the Santee school."

A proposed Rancho El Cajon Water district, to include all areas as far east as Suncrust and not at present in a legal water district, has also been proposed to the Santee group.

Rogers said they will discuss Rancho El Cajon district as well as the Lakeside proposal, at tonight's meeting.

BY THE DOZEN—Donna Hamner, left, wearing quite a few of the "Days of 49" hats, buys tickets from Barbara Watkins to help the latter girl gain points in the event's queen contest. Lakeside Optimist and Opti-Mrs. clubs sponsor this candidate.

Special Meeting Slated by WCTU

Members of the San Diego County Woman's Christian Temperance Union will hold a special meeting tomorrow (Wednesday) in the Central Christian church, 9th and F streets, San Diego, according to Mrs. Medora Clark, chairman of the El Cajon group.

Registration of members attending the meeting will begin at 10 a.m. prior to the reports of the local union and the county director, Mrs. Clark said.
